

# INFORMATION SHEET

A lively group of people with many different life experiences and ages. On the first Thursday of each month (Feb – Dec) there is a coffee morning with short business session, a 10 min speaker who is usually a club member. This is followed by a guest speaker who is frequently a member of the Gisborne community. Members also have time to catch up with friends before and after the meeting. The activity groups are many and varied, they meet during the month, sometimes in members' homes or for bigger groups in suitable venues.

Below is a summary of groups, a description of activities is in a separate document.
