NEWSLETTER FEBRUARY 2021

The next monthly meeting is on Tuesday, 23 February at the West Lynn Garden
Meeting starts at 1.30pm

Refreshments (and social interaction) follow the speakers

Please email or phone your apology to our President or Secretary if you cannot attend.

For those who are not familiar with the U3A concept, it is for people in their "third age", post career and family who join together to continue their enjoyment of learning and sharing knowledge.

Members come from all walks of life. Anyone is welcome - all you need is some life experience and a desire to keep learning.

Our Branch's 2021 annual subscription is \$30 which covers venue rental and administration.

We are busy forming a First Aid Team. If you prepared to join this team, please let Heather know.

Please let our Membership secretary know if any of your contact details change.

SPEAKERS' CORNER

Our February guest speakers are member Sheridan Robinson who will give us an update on our 'umbrella' organisation, Auckland U3A Network with its 25 groups (Titirangi U3A included) from Franklin to Warkworth.

Our main guest speaker is Paul G. Buchanan who is superbly well-qualified to talk about US policies and foreign policy in the post-Trump era. Paul's extensive academic career has alternated with US government service including work as an analyst, instructor or consultant for the State Department, Department of Defence, CIA, Agency of International Development, Australia Defence College, MacArthur Foundation, Amnesty International and numerous military commands.

Paul is an internationally highly esteemed author, opinion writer and media commentator.

Do not miss this opportunity to hear this exceptional man, who is also the Director of 36th Parallel Assessments, a geopolitical intelligence and strategic assessment consultancy.

GROUP REPORTS – FEBRUARY 2021

At each monthly meeting abstracts of current Activity and Study Groups are set out on a display table and are available for members to view together with sign up lists for members to join groups.

Ideas for new groups are always welcome.

If you would like to know about the role of a Convenor and would be interested in offering a group, please discuss this with our Study Group Co-ordinator, Carole Craighead.

This year we are considering some new groups:

GARDENING GROUP
HISTORY OF PLANTS
ART & DESIGN

Please let Carole know if you would like to attend a different group as vacancies occur from time to time and she can add you to a waiting list rather than limiting you to just those groups with vacancies at present.

Currently the following groups have vacancies.

- Opera Appreciation
- Film Fanciers
- Chess
- MahJong
- Japanese Style

Groups meet in various locations, including members' homes. Small donations may be required towards venue rental and costs for tea/coffee and biscuits. Some groups organise special excursions and these incur costs to cover transport, entry fees etc.

All members of an Activity and Study group must be paid up members of our Branch.

All members of the Branch are expected to belong to at least one Activity or Study group.

Members need to sign up for a group with the Study Group Co-ordinator and this can be done at any Branch meeting.

The Convenor of your chosen group/s will invite you by e-mail to attend a group meeting when a vacancy becomes available.
